

**ANYONE 18 YEARS
OF AGE AND
OLDER IS ELIGIBLE
FOR A SECOND
COVID-19
BOOSTER DOSE**

**Second
COVID-19
Booster Doses
available for 18+**

Who is eligible?

- second boosters are available for all individuals 18 years of age and older who previously received a complete COVID-19 vaccine primary series and a first booster dose.

You can get a second booster dose if:

- at least 5 calendar months have passed since your first booster dose, *and*
- 3 months have passed if you have had a COVID-19 infection

Booster doses are strongly recommended for:

- Seniors living in congregate care facilities
- Individuals 50 years of age and older

Call your health centre to book your second booster dose appointment!
