

# Reduce the spread of COVID-19: Wash your hands infographic

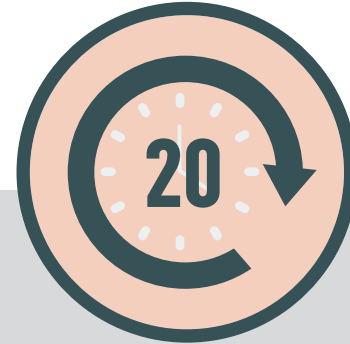

## STEP 1:

Wet hands with water.

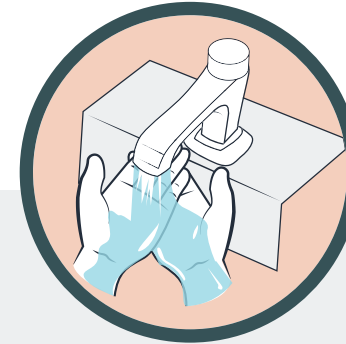

## STEP 2:

Apply soap.

## STEP 3:

While hands are out of water, rub hands together for at least 20 seconds (including your palms, back of each hand, between fingers, thumbs and under nails).

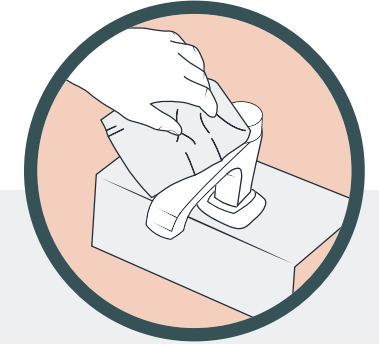

## STEP 4:

Rinse well with water.

## STEP 5:

Dry hands well with paper towel.

## STEP 6:

Turn off tap using paper towel.

If soap and water aren't available, use a hand sanitizer containing at least 60% alcohol. Rub your hands together (as shown in Step 3) until dry.
